Bring a notebook (a 3 ring binder is recommended), a pen or pencil, and an open mind to class each day. **If you forget these items and have to go to your locker, you will be considered tardy**.

Class Rules

1. Be on time for class.
2. Be respectful of others and expect it in return. This includes but is not limited to cellphones
3. If you miss class, it is **YOUR** responsibility to make up any work missed. You are expected to do this the day you come back. Make up tests must be scheduled as soon as possible. **All missed assignments will count as a zero until and unless they are made up.**
4. All late work will be penalized 10% for each day late. It is considered late if turned in after your class period on the day in which it was due. It will be penalized 10% for failure to put your name on it. If this becomes habit, then the penalties will increase.
5. **DO YOUR OWN WORK!** Follow the guidelines of the school Honor Code. All work is to be done independently unless otherwise directed. Giving or receiving any form of information about a test before, during, or after a test without permission from me is a form of cheating. Plagiarism is a form of cheating.

Your grade will be determined as a percentage of the points you earn compared to the total possible. This will include, but is not limited to, homework, class work, Projects, pop quizzes, Moodle assignments, class participation, and testing.
