- **Community Outreach:** The last drive of our school year will take place during final week of school. Please encourage your child to donate their used school supplies to the less-fortunate children at Brookville Elementary. This will all be done at school so all we need from you is a little nudge to your child.
These supplies are put to good use and are greatly appreciated.

**We love you, Mr. Key!
Thank you for giving
Crestline Elementary such
a big part of your life. We
have been so fortunate to
have you!**
