

MOODLE MOODLE MOODLE

FIRST TIME USERS

We want everyone to have a Moodle account. It is time for students to login and create their profile.

- Access MBS Moodle from the MBHS Student webpage. The Moodle link is in the column on the right.
- Click the LOGIN button, upper right hand corner.
- Your login will be your network login and network password.

USER PROFILE

- Click the Edit Profile tab at the top
- Notice certain areas are filled in for you. **Red Text** areas are required. Please fill in your City.
- Leave other areas as they are for now.
- **Notice your new MBHS gmail account.**
- Click Update my Profile and you now have a Moodle Account.
- You can always come back and edit your profile.

When you have a chance:

- Add an appropriate picture of you to your profile. The file size needs to be small to load.
- List your interest.

HOW TO ENROLL IN A COURSE?

Your teacher will give you the passcode needed to enroll in a course. After receiving your passcode:

- Log in to Moodle
- Click on the Mountain Brook High School Category link.
- Search for your teacher's name.
- Click the name of the course you wish to enroll in and enter the passcode your teacher gave you. Click Enroll me in this Course. All done.

NOTE: Gmail Accounts

- You will need to access your Gmail account by using the new MBS Portal.
