

Renaissance Learning AR and STAR Teacher Access

1. There will be two icons for **Renaissance Learning – RenLearn Teacher and Renlearn Student**. Use your teacher icon to access **Renaissance Learning** or use this address:
<https://hosted66.renlearn.com/74794>

2. **Check each computer** for software requirements: Click on the bottom left – **Check Software requirements**. Scroll down and install any software that doesn't have a check mark beside it. The bottom one, **Renaissance Place Print Plug-In**, will need to be installed. You will need to click on the **Active X** bar.

3. You will now be able to login as a **Teacher/Administrator**. Click on that choice, and you will see a box. Type in user name and password **and then click** login. (*Your username and password are your regular computer login username and password.*) The first time through it will ask you to change your password. **Please enter in your same password you just used twice and hit save. Do not let the computer save your password.** You are now logged in.
4. Under **Accelerated Reader** you can now view the class **Record Book in AR**, see **Reports**, and **Manage Quizzes**. All of the **HM quizzes** are in the regular **Reading Practice** and not in Other Reading. There are new quizzes in **Vocabulary Practice and Literacy Skills**.
5. **Do not print out a Quiz list.** We have over 100,000 quizzes now, so it would be impossible. You can search for a quiz by going to **Manage Quiz – Reading Practice Quiz** – and choosing your criteria from the drop down box. Make sure you notice there is a **NEXT** button on the right above the quiz list **to take you to more quizzes**.
