Dear MBJH Parent,

Welcome to the Junior High School! We are excited about this upcoming year. All of the faculty and staff have been hard at work preparing for the return of students and for an exciting and productive year.

As parents, we have an excellent opportunity to help the faculty and students by volunteering our time and talents at the Junior High. There are numerous PTO committees already hard at work preparing for this coming school year. Many thanks to the parents who have volunteered to chair or serve on a PTO committee for 2011-2012. We can always use more help - so if you have not signed up to serve but would like to, please call or email me so you can be a part of the Junior High PTO efforts.

I would like to encourage you to attend the PTO meetings this year. I believe it is the best way to be informed about all the activities happening at our school and in our school system. The meetings will take place at 9:30 a.m. on the third Thursday of the following months: September, October, January, February, April and May. Please mark your calendars and plan to join us.

Thank you again for your support in making the Junior High a wonderful place for our children to learn and I look forward to a great year.

Sincerely,

Elisabeth Branch
