

ATHLETIC FINES G-37

It is the policy of the Mountain Brook Board of Education that good sportsmanship and ethical behavior be displayed at all athletic events in which school teams participate. In order to assist in insuring that this occurs, the following practice will become effective upon the adoption of this policy.

If an athletic coach causes a fine to be levied against his or her school by the Alabama High School Athletic Association due to the actions or behavior of the coach, the amount of the fine will be deducted from the coaching supplement included in the coach's annual salary.
