

April 03, 2020

MBS Family,

Due to the governor's shelter-in-place order that becomes effective tomorrow, April 4, at 5 p.m., all elementary schools will host a Chromebook pickup tomorrow from 9-10 a.m. for all grade levels.

This will be the final Chromebook distribution date for our elementary schools before eLearning begins on Monday. In order to practice social distancing, we are asking that all families refrain from walking to their schools and remain in their vehicles at all times. Once you arrive, we will ask you to tell us your student's name and homeroom so that we can locate the appropriate Chromebook and charger to deliver to you. Curbside service will be provided.

Please note that picking up a Chromebook from your school will be documented as your consent to the district's technology check out agreement. You can view that agreement [here](#).

Sincerely,

Dicky Barlow  
Superintendent  
Mountain Brook Schools
