

July 15, 2020

MBS Family,

Due to Governor Kay Ivey's announcement today of a statewide mask order, Mountain Brook Schools will delay the release of its initial 2020-2021 Reopening Plan until Thursday, July 16, so that we can make the necessary adjustments.

Thank you for your patience as we work to develop a reopening plan that strives to keep all members of our school community safe and healthy.

Sincerely,

Dicky Barlow, Ed. D.
Superintendent
Mountain Brook Schools
