

March 26, 2020

MBS Parents,

As you may have heard, Gov. Kay Ivey announced today that Alabama public schools will be closed for the remainder of the 2019-20 academic year due to the COVID-19 pandemic.

While the decision prevents us from continuing traditional, on-campus instruction, it allows us to continue educating our students in an online format. As a result, Mountain Brook Schools will transition to e-learning on Monday, April 6.

Although circumstances do not allow us to return to schools, we recognize that this is a great opportunity for us to grow. Mountain Brook Schools has been holding e-days for the past 10 years, and we are confident that our experience will serve our teachers and students well in this unprecedented situation.

The forthcoming transition will be a new adventure for all of us, but I know it's one in which we can excel. I will have more details to share as information becomes available.

I hope you and your families have rested and stayed well over the break. I will be in touch soon.

Sincerely,

Dicky Barlow  
Superintendent  
Mountain Brook Schools
