

# Mountain Brook Jr. High School

Our school is proud to host the Handball for Heart Tournament!  
February 19<sup>th</sup> – February 28<sup>th</sup>.

Our goal is for every student to donate.

If every student raises \$20.00, our school will be able to donate \$13,000.00 to the American Heart Association to fund research and save lives.

*Please feel free to donate/raise more.*

The winning team, along with the top fundraiser, from each period will celebrate with a popsicle party!

Register at [heart.org/KidsHeartChallenge](http://heart.org/KidsHeartChallenge) or on your app. Find it by searching "Kids Heart Challenge" from your app store.

Check out Kylee's story: Kylee was a 12-year-old girl who had a heart attack at her middle school in 2011. Because of life-saving CPR and the knowledge of those around her, Kylee is alive today!
