

“Providing an effective, challenging, and engaging education for every one of our students”

MBS Parents,

We cannot believe this is the end of our semester and it's already time for winter break! Our amazing students grew so much in the classroom while applying their knowledge and skills to excel outside of the classroom. We are so proud of each and every one of them. They deserve this break and some time off to relax with family and friends. We know they will come back in January ready to go forth and have even more success in the new year.

We want to thank you for your support of your child's education and would also like to thank our teachers and staff for the wonderful jobs they do on a daily basis. There are a few things below we would like you to be aware of over the break. Additionally, you can find all of our resources located on [our website](#).

Health and Safety:

- We encourage everyone to remain committed to good hygiene practices in order to protect yourself and those around you in this busy season.
- For those of you that may be traveling, Alabama Public Health's resources for travel [can be found here](#). The Jefferson County Department of Public Health's phone number is **(205) 930-1208** should you or a family member need it.
- School nurses will respond to messages beginning January 3.

Construction:

- Construction projects remain underway over winter break at Brookwood Forest, Mountain Brook Junior High and Mountain Brook High School.
- Learn more about our construction progress and ongoing projects by watching [this two minute video update](#) from our MBS Facilities Director, Tommy Prewitt.
