PICTURE OF THE WEEK

Mountain Brook Elementary 5th graders took some time to enjoy the fall weather and colors around the school

MBS Parents,

We hope you had a great week! As Thanksgiving approaches, our students are busy taking tests, finishing assignments and continuing to learn and grow. We hope everyone finds time to rest and enjoy moments with family and friends over next week's Thanksgiving break.

Around our district, our reported positive COVID case numbers remain very low but we persist in our commitment to the health and safety of everyone in our school buildings. We ask you to please continue to practice health and safety measures at home while we continue to do so in our schools. With the emergence of flu season, it is more important than ever to seek your family physician should your child feel unwell or exhibit any type of new symptoms.

We won't provide a weekly update next week due to the short week. Thanks and have a great weekend!
