

Spanish Discipline Plan

Dear parents,

Spanish is an engaging class with real world benefits. Disruptions take away from our ability to teach as well as other students' ability to learn. In order for each student to fully benefit from the Spanish learning environment, we have created the following guidelines:

1. Be respectful and kind
2. Always do your best
3. Actively participate

Failure to follow the expectations will result in the following consequences:

1. Verbal warning
2. Sign the discipline log
3. Phone call and/or conference with parents
4. Meet with an administrator

Certain behaviors may require skipping to steps three or four of the consequence ladder, depending on the severity of the behavior.

We are looking forward to a great year!
