

PURCHASES OR SALES AT INDIVIDUAL SCHOOLS D-12

It is the policy of the Mountain Brook Board of Education that all items purchased or sold in the individual schools of this system shall be purchased or sold based upon the value delivered in quality, service, and educational experience and shall reflect that which is in the best interest of the student and the school.

The work related to these purchases, promotion, distribution, and collection of monies shall be provided in such a manner that it does not interfere with the educational process.

It shall be the responsibility of the individual school principal to see that the students, parents, and school shall receive the best value possible for the money expended and to see that this policy is carried out in his or her individual school.
